Quarterly Expenditures for each Program

2020. Each quarterly report must be separately maintained on an IHE's website or in a PDF document linked directly from the IHE's CARES Act reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the "Date of Report" line.

## Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995 (PRA), no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1840-0849. Public reporting burden for this collection of information is estimated to average 2 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Under the PRA, participants are required to respond to this collection to obtain or retain benefit. If you have any comments concerning the accuracy
