

Directory Information

The College identifies the following as "Directory Information:" student's name, town of residence, major field of study, participation in officially recognized activities and sports, dates of attendance, degrees, current enrollment status, awards and honors received. (revised 1/25).

Directory information may be released by the college to a third-party requesting such student information without first obtaining the eligible student's consent. An eligible student has the right to refuse to permit the college from identifying some or all of those types of information about the student as directory information. An eligible student must notify the college's registrar within two weeks of the beginning of each academic semester if the eligible student does not want any or all of those types of information about a student designated as directory information. Notwithstanding the College's definition of directory information, the Department of Defense, pursuant to the Omnibus Consolidated Appropriations Act of 1997 (Solomon Amendment), identifies the following student information as student recruiting information: student names, addresses, and telephone listings; and if known, student's age, levels of education, and major(s).

*If an eligible student chooses not to exercise his/her aforementioned right to refuse to permit the College to designate some or all of those types of information about the student as directory information, the college will release to the Department of Defense, or an agency thereof, that student information which the Department of Defense has designated as student recruiting information. This may result in the non-consensual disclosure of personally identifiable information. When student information is released pursuant to a Department of Defense request, notice of the request and the release of student information in accordance therewith, will be posted in a conspicuous location in the college's Registrar's Office for the period of one academic year.
